### **The 15th Annual Hockey Alumni & Friends Golf Outing**

May 30, 2008

Dear Alumni & Friends,

I would like to invite you to attend and participate in our 15<sup>th</sup> Annual RPI Hockey Golf Outing. The event will be held on Monday, August 18th at the Country Club of Troy. We understand for those traveling that Monday may be a difficult day but to have our event at a course of this caliber made it worth the Monday date.

This golf outing will give you an opportunity to support Engineer Hockey while also meeting and spending time with our coaching staff and fellow friends and alums. In addition, our 2008-09 RPI hockey team will be involved in the event, greeting you upon arrival and talking hockey with you while helping your score with extra shots on the course.

We are extremely excited about the upcoming hockey season and we are looking forward to pushing back towards an ECAC Championship. Your support and passion for RPI and our hockey program is helping this drive. We used proceeds from previous year's golf outings to upgrade our video to an NHL caliber system which enhanced our team and individual player development. This outing should be even more exciting as the locker room renovation to the Houston Field House will be within 4-6 weeks of completion.

Please join us on August 18<sup>th</sup> as we start our championship drive for the program that you call your own!

Sincerely,

Seth Appert  
Head Hockey Coach
